Review of Administrative Ministries' Nominations to their Boards of Directors and Committees of the Christian Church (Disciples of Christ):

The Committee reviewed the lists of trustees/directors and boards of general administrative ministries and committees to be recommended for confirmation/election by the General Board. They also evaluated the balance (i.e., lay/clergy, race, age range, regional representation, etc.) of each of the general administrative ministry boards. Monica Myers-Greenberg, chair of the committee, will send letters to each of the general administrative ministry Presidents and board chairs informing them of the committee's comments.
