STRATEGIC PLAN FOR 2005-2010

OUR MISSION

The Christian Church Foundation helps Disciples make a difference forever and discover the joy of serving Christ through sharing their resources.

We will achieve our mission by:

- being fully engaged and committed to the Christian Church (Disciples of Christ) and with its members trying to live out their faith through their stewardship of accumulated resources
- demonstrating integrity, honesty, fiscal responsibility, efficiency and excellence in our

ministry

- managing funds prudently so that the long-term financial stability for all ministries of the church can be achieved
- educating congregational, regional and general ministry leaders
- developing appropriate ways for donors to make gifts
- approaching our task as ministry
- letting the needs of the whole church guide and inspire us
- having an active, effective, competent and representative board of directors
- having a gifted, thoughtful staff concerned about the needs of the donors and ensuring their wishes are carried out in perpetuity

During 2007, the Foundation served the church by:

Supporting Disciples Mission Fund: In 2007, the Foundation distributed \$1.1 million to the church's general funding system from permanent funds and other gift instruments. The increase in DMF giving, from 2006 distributions of \$870,000, resulted from both growth in our permanent funds and from gifts made through the Foundation's donor-advised funds.

Helping congregations establish their legacies: Foundation representatives help closing congregations discover a vision for continuing their witness with their remaining assets, helping them to ask important questions and make decisions about how to leave a legacy when they terminate their visible ministries. In 2007, the Foundation served more than 10 congregations as they considered how they might bless a wide variety of church ministries with resources. Many of the congregations served by the Foundation include permanent funds at the Foundation as well as outright gifts to both Disciples ministries and local ministries as a part of their legacy gifts. During 2007, distributions from funds established by closing congregations provided more than \$73,000 in distributions to DMF as well as more than \$650,000 of ongoing gifts to a variety of other Disciples and local ministries.

Offering investment services to all manifestations of the church: Investment services through the Foundation provided balanced, prudent management of institutional funds to congregations, regions, and many of our other church institutions. As of Dec. 31, 2007, the Foundation managed \$278 million of church funds belonging to other Disciples entities, an increase of 8% over the prior year. More than 640 congregations, regions, or other Disciples ministries currently invest their funds through the Foundation.

In 2007, the Foundation's three pooled funds each reported positive returns. Here are the funds' 2007 returns and historical averages, all net of costs.

<u>Fund</u>	<u>2007</u>	<u>3-yr average</u>	<u>5-yr average</u>	<u>10-yr average</u>
Beasley	6.00%	7.92%	12.55%	6.91%
Common	5.21%	6.36%	10.31%	5.90%
Brown	2.55%	4.61%	7.10%	5.47%

In June 2008, the Foundation introduced the Campbell Multi-Strategy Fund, a fund designed to mirror the investment strategies used by large universities and other foundations. Its goal is to

produce excellent long-term returns with lower volatility through a portfolio containing equity assets and alternative strategies designed to hedge the market's volatility.

Providing Disciples with planned giving opportunities: The Foundation helps individuals, congregations, and other ministries understand the power of planned giving through no-cost private consultations and seminars. In 2007, we visited with nearly 600 individuals and visited 300 congregations, leading seminars and preaching. We continue to offer charitable gift annuities and charitable remainder trusts as ways for individuals to support the church and receive a life income. We consult with donors on estate gifts and promote the Steward's Bank, a donor-advised fund designed to support Disciples ministries. More than \$3.5 million was distributed in 2007 for the support of Disciples ministries from the residual of life-income gifts, Steward's Bank gifts, and other donor-directed gifts made through the Foundation.

Undergirding the church with permanent funds: In addition to funds invested by other Disciple ministries through the Foundation, the Foundation owns, controls, or serves as trustee of permanent funds that totaled \$118 million at Dec. 31, 2007. Most of these funds were created as a result of the planned giving services provided by the Foundation. These funds support a wide variety of church ministries, which are typically selected by the donor of the funds. For 2007, permanent funds held by the Foundation provided \$4.3 million for Disciples ministries, an increase of 11% from the prior year.

Blessing the wide variety of church ministries through the commitment of donors who have worked with the Foundation to establish permanent funds and other planned gifts, the Foundation distributed funds for Disciples ministries in 2007 as follows:

	Distributions
Disciples Mission Fund	\$1,127,000
General ministries and recognized organizations	3,444,000
Local congregations	1,537,000
Regions	1,083,000
Institutions of higher education	637,000
Total distributions to Disciples ministries	<u><u>\$7,828,000</u></u>

In addition, income generated by subject-to-withdrawal accounts owned by ministries affiliated with the Disciples was returned to those ministries to expand their work and witness.

We are in the legacy business, helping individuals and congregations plan out legacies that reflect their individual dreams and commitments to the church. We fulfill our ministry by undergirding the entire church through permanent funds. We help prepare congregations and other church ministries to serve as good stewards of planned gifts they receive by helping them create strong permanent fund policies and by providing them with prudent investment services. The Foundation seeks to be a trusted partner with all manifestations and ministries of the church as they seek to carry out the 2020 Vision. The Foundation continues to serve its many ministry partners by helping to undergird their witness and ministries. We seek new opportunities to connect the services of the Foundation to the work of all our ministry partners. In 2007, the

Foundation joined other Disciples ministries in sponsoring an educational event in Puerto Rico for Disciples clergy and lay leaders. In October, the Foundation also conducted an “Understanding Black Philanthropy” conference for Disciples clergy, keynoted by Dr. Frank Thomas of Mississippi Blvd. Christian Church. Foundation staff members provide individualized service to congregations across the life of the Church, including helping pastors and lay leaders develop permanent fund policies and encouraging inheritance planning and planned giving among their members. For those ministries that already have endowment funds, we work with church leaders to ensure that their investment of those funds matches the fund’s long-term nature. As a further service to congregations, the Foundation sponsored the 2007 Disciples Senior Minister Leadership Conference, a gathering of senior ministers of the 100 largest worshipping congregations, hosted by Middletown Christian Church in Louisville, KY..

We also are here to help insure the ongoing witness of the church beyond 2020, helping the gifts and faithful commitment of today’s stewards make a difference for the church in perpetuity. We experience great joy when we can help connect an individual’s faith commitments to the causes of the church.

Effective Jan. 1, 2008, Enrique Ocasio accepted the call to serve as planned giving associate for Hispanics and Puerto Rico, in recognition of the unique skills required in working with planned giving and investments with Spanish-speaking Disciples and their congregations. Also on Jan. 1, Sue Hansen was promoted to assistant vice president of gift administration.

Two other significant events happened in 2007:

- The Foundation’s Board of Directors conferred on James P. Johnson the title of “President Emeritus” in recognition of his leadership to the Foundation while he served as president from 1992 to 2003. He joins the Foundation’s first full-time president, James Reed, with the distinction of that designation.
- The Foundation presented the “James P. Johnson Stewardship Award” to University Christian Church, Fort Worth, TX, during the Foundation’s General Assembly banquet. UCC was honored for its work in planned giving and endowment, as well as for outreach giving. The award was created in 2003 and is presented to a congregation.

The Foundation is the result of visionary Disciples leaders who steadfastly pursued their dream. These leaders envisioned a ministry that would enable individuals to witness their love for Christ’s church far beyond their lifetimes. From its earliest days, the Foundation has focused on building strong personal relationships founded in a mutual love for Christ’s church and a culture of service to all of our church partners. Our early leaders realized that, out of this ministry, gifts would be provided that would expand ministries of congregations, regions, general units and institutions of the Christian Church (Disciples of Christ).

It is a commitment to that vision of ministry that guides the Foundation’s staff and provides the impetus for our work. Out of this context of a person-centered ministry, the staff and board continue to develop the flexibility to respond to the needs of donors. The Foundation is guided by the principle that the quality of its work must be defined by the needs of those donors and the

church as a whole.

Please contact the members of our staff to allow us the privilege to assist you, your friends, your congregation or your region in this important ministry of the stewardship of accumulated resources:
