Review of Administrative Ministries' Nominations to their Boards of Directors and Committees of the Christian Church (Disciples of Christ):

The Committee reviewed the lists of trustees/directors and boards of general administrative ministries and committees to be recommended for confirmation/election by the General Board. They also evaluated the balance (i.e., lay/clergy, race, age range, regional representation, etc.) of each of the general administrative ministry boards. Brenda Etheridge, chair of the committee, will send letters to each of the general administrative ministry Presidents and board chairs informing them of the committee's comments.
